

DEATHWING SQUAD BANNERS- 'LEGION' PATTERN

Shown below are the squad banners as used by the Deathwing prior to the adoption of bone-coloured armour.

The design is known as the 'Legion' pattern- so called due to their close resemblance to the banners presented to the First Company at the First Founding. Used for many millennia they were first superseded by new banners during the Armageddon Wars, and again by the current 'Gabriel' pattern. Reference taken from <Libra Primero Deathwing>.
