

IMPERIUM-SANCTIONED GARRISON BANNER AND INSIGNIA

Shown below are the current official Imperium-sanctioned Garrison ceremonial banner and insignia identifiers. The banner may be displayed on any headquarters or command structure, or carried by trusted Brothers from the Garrison when in the field. The insignia designed be to used on vehicles, large items of field equipment, buildings and on the power armour of individual troops [displayed on the left shin]. Stencilgrams are available from the Quartermaster's Section, code ref: Field Markings//Section 8210.922.es//41.

The garrison banner has been devised using the black field in honour of the Interrogator-Chaplain in command, the Imperial 12-pointed Compass representing the Dark Angels never-ceasing quest to all parts of the universe to seek out heretics and the Fallen. Markings from incorporated units are depicted in the triangular tails at the base: the Armoury, 4th Company, 10th Company and Ravenwing.

Simplified Battle Insignia Identifier, shown applied to Dark Angels green background.

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a hi-res pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
