

BANNERS OF THE LIBRARIUS [LIBRARIUS PATTERN]

Shown below are banners from the <Liturgis Honorum of the Dark Angels> showing the simplified heraldry of the Dark Angels Codiciers and Epistolaries currently serving with the Librarius. It should be noted that since the recent reforms of the Space Marine Codex, personal heraldry has for the timebeing been suspended.

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a hi-res pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
