

BANNERS OF THE LIBRARIUS [ARCHAIC]

Shown below are banners from the <Liturgis Honorum Dark Angels vol III> and show the Archaic banners of the Librarius and the personal heraldry of a few of the heroic Epistolaries, Codiciers and Lexicaniums who have served the Dark Angels over the centuries. Note: under current Imperial Decree, personalised banners have been replaced with the new Librarius pattern. Where known, present campaign assignments are also detailed.

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a hi-res pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
