

DARK ANGELS' LEGION BANNERS [EMPEROR IN GLORY PATTERN]

Shown below are banners used by the Dark Angels' Legion at the start of the Great Crusade when the Legion first accompanied the Emperor on his glorious conquest.

All imagery taken from <Doctrines and Administrations of the Dark Angels>

Squad Banners

+++++

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a vector pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
