

RAVENWING COMMAND PENNANTS

Shown below are the current squadron pennants used by the commanders, chaplains and librarians of the 2nd Company (Ravenwing). Unlike the Deathwing and Battle Companies, Ravenwing banners are unique in that they are company-based and do not contain any personal iconography.

>> All banners have been produced in Adobe Illustrator as vector illustrations, using cmyk colours and saved as a hi-res pdf file. Banners can be printed just as they are, or opened in Photoshop (Mac) or PaintShop Pro (PC) where you can customise them by adding folds or distressing them etc.

>> Alternatively, you can open this file directly in Illustrator 9 or later, to edit the vector illustrations.
